With thanks to the National Governance Association. This Scheme of Delegation has been developed, drawing on their model SoD Version II with our own amendments made.

<https://www.nga.org.uk/Guidance/School-structures-and-constitution/Academies-and-free-schools/New-Model-Schemes-of-Delegation.aspx>

1. Introduction

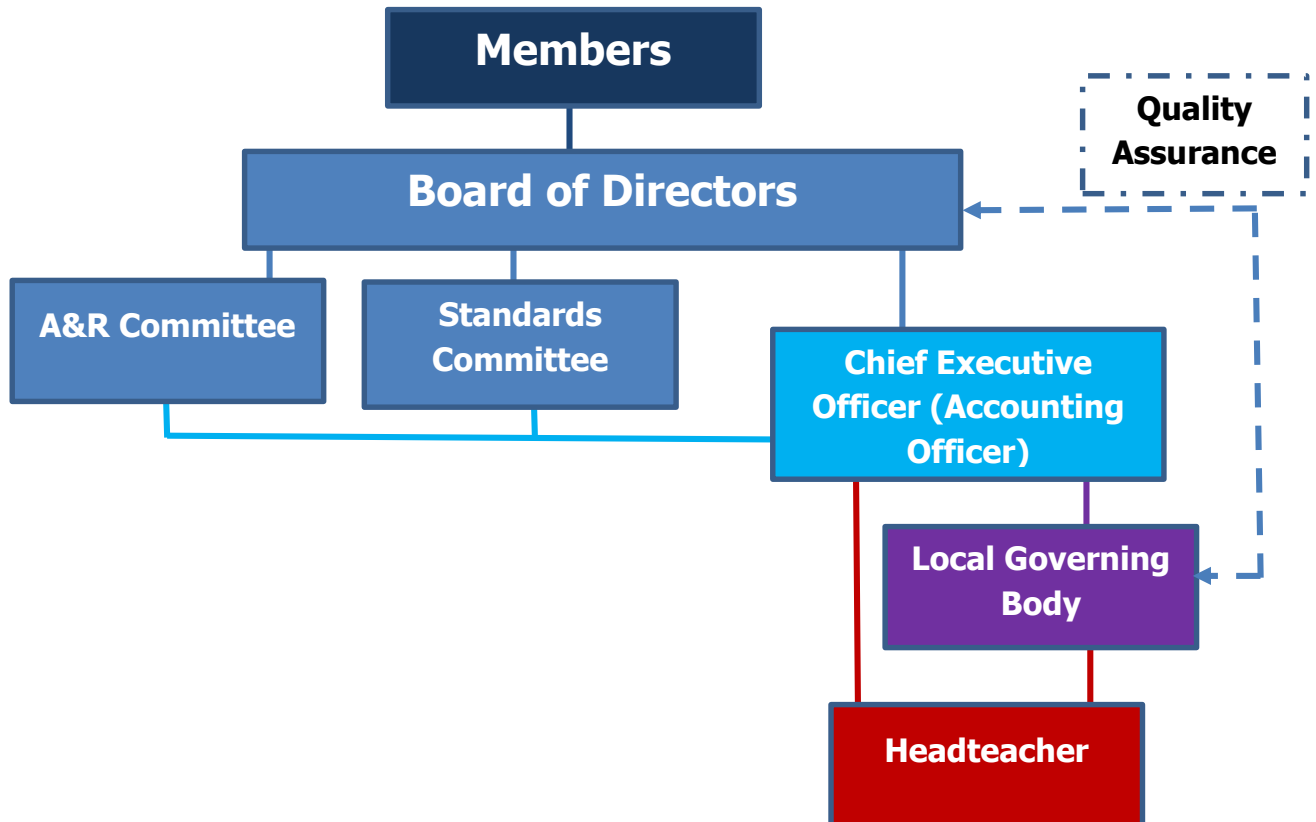

- 1.1. The Board of Directors (the Board) is accountable in law for all major decisions about the Trust and its constituent academies. The Board delegates specific functions and responsibilities, as there are potential benefits in doing so, to individuals, such as the Chief Executive Officer (CEO), to board committees, and academy committees known as Local Governing Bodies (LGBs). The decision to delegate a function is made by the full Board and is recorded. Without such delegation, the individual or committee has no power to act.
- 1.2. In considering delegation, the Board is influenced by a range of factors including the size of the MAT, both in terms of number of academies and number of pupils, the way its leadership is structured, as well as the geographical spread and context of academies.
- 1.3. The scheme of delegation (SoD) defines where responsibilities lie and our lines of accountability. It is designed to ensure clarity about roles and responsibilities for members, trustees, board committees, cluster and/or academy committees, executive leadership and academy Headteachers. This overarching SoD for all decision making in the trust should not be confused with the written scheme of delegation of financial powers referred to in the Academies Financial Handbook.
- 1.4. When governing bodies of maintained schools join MATs they continue to undertake a similar work programme and are, by regulation, considered as a committee appointed by the Board which has the power to appoint and remove committees at any time. The Trust's vision clearly recognises the 'uniqueness of character and context' of individual academies and acknowledges that achievement of its vision is dependent upon strong local governance and engagement.
- 1.5. The SoD is intended to:
 - 1.5.1. Promote a culture of honesty as well as clarity of responsibilities, lines of accountability and reporting;
 - 1.5.2. Ensure the executive leadership is clear about which responsibilities and decisions the Board retains and delegates;

- 1.5.3. Identify responsibility for the appointment and performance management of the CEO/executive leaders and academy Headteachers;
 - 1.5.4. Ensure that the role of the executive leadership is fully understood throughout the MAT;
 - 1.5.5. Identify responsibility for policy and practice in each academy;
 - 1.5.6. Identify responsibility for oversight of educational performance in each academy and across the Trust
 - 1.5.7. Identify responsibility for financial oversight of each academy’s budget and across the Trust;
 - 1.5.8. Identify responsibility for assessment of risk in each academy and across the Trust.
- 1.6. Nexus MAT was founded on the belief that governance should be focused on supporting a child as best it can, adopting a “servant leadership” philosophy, as we pursue our vision of **“Learning together; to be the best we can be”**. This is best reflected structurally as follows:

- 1.7. This document should be read in conjunction with the job descriptions of the Chief Executive Officer, the Trust's Governance Handbook and the Trust's Delegated Financial Powers Handbook.
- 1.8. The Trust Board is responsible for the strategic direction of the Trust and this will inform the strategic direction of the individual academies that form the MAT.
- 1.9. Although decisions may be delegated, the Trust Board as a whole remains accountable for any decision made under delegation.
- 1.10. The Trust Board has established two committees with delegated powers: the Audit & Risk Committee and the Standards Committee. Both of these committees have terms of reference, and are appointed to with a majority of Trust Directors. Local governors may hold associate membership of these committees, but hold no voting rights.
- 1.11. Whilst the Department for Education uses the term "Local Governing Board" for individual academy/school governance boards, Nexus uses the term "Local Governing Body".
- 1.12. The Chief Executive Officer and the Headteachers are responsible for internal organisation, management and control of the group/schools and are accountable to the Trust Board.
- 1.13. As part of its responsibilities, the Trust Board will ensure that this document is reviewed at least annually
- 1.14. This scheme of delegation is reflective of "business as usual" for the Trust. The Trust Board reserves the right to vary the delegation of powers in particular circumstances (such as the suspension of an officer employed by the Trust) or where an academy requires intervention, in line with the Trust policy academies causing concern or sponsored academies.
- 1.15. The Trust Board cannot revise those powers held by Members. Only members can amend these.

2. Model of delegation

- 2.1. The Board is accountable for the three core governance functions.
- 2.2. The Board appoints the CEO, to whom it delegates responsibility for delivery of its vision and strategy, and will hold the CEO to account for the conduct and performance of the trust, including the performance of the academies within the trust, and for its financial management.
- 2.3. In turn, the CEO has management responsibility for other senior executives and the academies' Headteachers, setting their targets and performance managing them.
- 2.4. The Board requires that the CEO delegates some school level functions to Local Governing Bodies (LGBs). The Board seeks to promote LGBs as a key conduit for stakeholder engagement and as points of consultation and representation. Directors will not typically sit on LGBs, and so lines of communication to the Board must be clearly established.
- 2.5. The Board constitutes committees for Audit & Risk and Standards; these look in detail at resources and progress across the Trust.

3. Roles & responsibilities

3.1. The role of the members

3.1.1. The Members of the Trust are guardians of the governance of the Trust and as such have a different status to Trustees. Originally they will have been the signatories to the memorandum of association and will have agreed the trust's first articles of association (the legal document which outlines the governance structure and how the trust will operate). The articles of association describe how members are recruited and replaced, and how many of the Directors the members can appoint to the Trust Board. The members appoint trustees to ensure that the trust's charitable object is carried out and so must be able to remove trustees if they fail to fulfil this responsibility. Accordingly, the Trust Board reports at least on the performance of the trust to the members at the Annual General Meeting (AGM). Members are also responsible for approving any amendments made to the trust's articles of association.

3.1.2. Nexus has five members, and while members are permitted to be appointed as trustees, only the Chair of the Trust Board is a member. Members are not permitted to be employees of the academy trust, and the role is wholly voluntary.

3.2. The role of the Directors

3.2.1. Nexus MAT is a charitable company and so Directors are both charity trustees (within the terms of section 177(1) of the Charities Act 2011) and company directors. Because Directors are bound by both charity and company law, the terms 'trustees' and 'directors' are often used interchangeably. Nexus has eleven Director positions.

3.2.2. The Directors are responsible for the general control and management of the administration of the trust, and in accordance with the provisions set out in the memorandum and articles of association and its funding agreement, it is legally responsible and accountable for all statutory functions, for the performance of all schools within the trust, and must approve a written scheme of delegation of financial powers that maintains robust internal control arrangements. In addition, it must carry out the three core governance functions:

- Ensure clarity of vision, ethos and strategic direction;
- Hold the executive to account for the educational performance of the trust's schools and their pupils, and the performance management of staff;
- Oversee the financial performance of the trust and make sure its money is well spent.

3.2.3. The Board has the right to review and adapt its governance structure at any time which includes removing delegation.

3.3. The role of trust board committees

3.3.1. The Directors may establish committees to carry out some of its governance functions which may include making decisions, although any decisions made will be deemed decisions of the Trust Board. The membership (there must be at least three trustees) and responsibilities of board committees are set out in the committee's terms of reference. It is usual for the Trust Board to appoint board committee chairs and committee members according to their skills.

3.3.2. The Academies Financial Handbook makes it clear that the Board of Trustees 'should have a finance committee to which the Board delegates financial scrutiny and oversight'. In trusts with income above a certain level, there must also be a separate audit & risk committee.

3.4. The role of the Chief Executive Officer (CEO)

3.4.1. The CEO has the delegated responsibility for the operation of the Trust including the performance of the Trust's academies and academy principals.

3.4.2. The CEO is the accounting officer so has overall responsibility for the operation of the academy trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability; avoiding waste and securing value for money.

3.4.3. The CEO leads the executive management team of the academy trust. The CEO will delegate executive management functions to the executive

management team and is accountable to the Trust Board for the performance of the Trust.

3.4.4. The Chartered Institute of Public Finance and Accountancy (CIPFA) has issued a briefing paper on the role of the accounting officer in a MAT, which states the following:

“The accounting officer must assure the trust board of the academy’s compliance with the requirements of the Academies Financial Handbook the EFA issues, its funding agreement and all relevant aspects of company and charitable law. This means that they must ensure that trust board and governing body members receive the information that they need to perform their roles effectively. The accounting officer is responsible for the day-to-day organisation, staffing and management of the academy trust. The accounting officer must undertake a leadership role, including setting high standards of financial probity and financial management, and ensuring that these are communicated to staff...;

“...In practice, the accounting officer is the key individual who links the accountability and governance structures of the academy. He or she is a member of the [Trust Board] and must ensure that the academy acts within its powers and that its policies reflect legislative requirements, national policies and local requirements. At the same time, he or she must ensure that the academy trust’s operating capacity is aligned with these requirements including its staffing, financial management and control environment. In all its actions, the accounting officer must ensure the academy trust acts in the public interest”

3.5. The role of local governing bodies

3.5.1. The trustees may establish local governing bodies to carry out some of its school level functions. Trustees are not required to sit on academy councils. Usually the trustees will appoint the chair, and ensure that two parents are elected to the academy council.

3.5.2. Typically, functions of an LGB may include:

- Building an understanding of how the school is led and managed, ensuring the vision and values of the school resonate with the diversity of the community it serves;

- Challenge how paid officers/employees of the school – and by extension, the Trust – utilise public money and resources effectively;
- Engaging with stakeholders;
- Being a point of consultation and representation to ensure the Trust fulfils its objects, specifically ensuring the academy activities promote the benefits of the inhabitants of the area it is situated.

3.5.3. As with academy committees, LGBs are appointed by the Board, and so delegation can be removed at any time.

3.6. The role of the academy Headteacher

3.7. The academy Headteacher is responsible for the day to day management of the academy and is managed by the chief executive or another member of the executive team but reports to the LGB on matters which have been delegated to it.

5.6.2 The purpose of the Nexus Multi Academy Trust is to promote the best possible outcomes for children young people and families by adhering to the Trust vision, values and ethos. In striving to meet these, the Trust Board will be required to scrutinise decisions made by the Accounting officer and Trust executives, Local Governing Bodies, Headteachers and Senior Leadership Teams (SLT), acting as a critical friend to ensure the efficient and effective strategic management of the Academies that comprise the Trust.

5.6.3 The Trust Board has a duty to ensure high standards of support for all teaching and learning within its educational establishments.

5.7.9 The Directors may delegate to any Director, committee (including any Local Governing Body or any other holder of an executive office), such of their powers or functions as they consider desirable to be exercised by them. Any such delegation shall be made subject to any conditions the Directors may impose and may be revoked or altered.

Following receipt of all self-nominations, all Directors will be formally written to, to ask them to register their vote for a candidate. No details of voting will be shared, other than the overall result of a vote.

5.8.3 Any Director appointed to the role of Chair or Vice Chair must receive a majority of votes supporting their candidacy. Where there is only one candidate and less than half of Directors vote for them, this may trigger a re-election. Where a term of office ends and no replacement office holder can be elected, acting arrangements should be agreed on an interim, time limited basis through a simple majority vote whilst a full election process is held.

5.8.4 Committee chairs are appointed annually by the Board. Directors have discretion to choose whether or not to utilise a secret ballot for these appointments.
