Discovery Academy is a brand-new school for children and young people with SEND located on the Norfolk Park Estate in Sheffield. The Academy is run by the award-winning Nexus Multi Academy Trust.

We believe that inspiring young people with their learning is about giving them a sense of belief that they will achieve their potential. This is an opportunity to build the school ethos from the ground upwards. Be a part of a house system that gives children and staff a sense of belonging and is dedicated to its values by developing staff to become even greater.

We have an immersive approach to our curriculum that is thematic throughout the school. Our classrooms are immersive and allow pupils to work independently and in collaboration together in fun learning spaces. We believe that learning takes place when children feel safe, stimulated and secure where kindness, care and self-belief are the foundations to learning. For further information about the school please visit

<https://www.discoverysheffield.org/>

We are looking to appoint a highly professional and efficient Class Teacher and subject Lead for Science

You will need to demonstrate that you:

- Have Qualified Teacher Status (QTS)
- Have GCSE Grade C or above in mathematics or English or equivalent qualification
- Are willing to undertake regular training and professional development as and when required
- Have working knowledge of SEND Code of Practice 0-25 years
- Have experience of teaching children or young people with SEND including Autism in a mainstream, resource base or special school setting
- Have the ability to teach all subjects
- Have the ability to lead Science throughout the school
- Have expert knowledge on the delivery of phonics and early reading framework.
- Are committed to supporting the aims of the academy

For an informal discussion about the role please contact Daniel Shirazi-Nejad, Head of School on 0114 479 8000.
