### **About our School**

#### **Brave... Collaborative...Adaptable...Love...Positivity...Future-conscious**

Do you have these core traits to be a successful Change Maker and Teaching Assistant at Bader Academy?

Bader Academy is a special school which opened in September 2020, and which provides 100 places for children and young people, aged 5-16, who have an Education, Health and Care Plan with a primary diagnosis of Communication and Interaction Difficulties.

We are seeking to appoint a Teaching Assistant to support our students to “be kind, be safe, be ready”.

Our ambition and yours will be that Bader is a centre of excellence for both the specialist provision and for promoting the latest inclusive practices across education.

Our children and young people at Bader deserve an education that will change their lives and give them the opportunity to fulfil their potential. Staff employed in our Academy Trust enjoy a fulfilling career and we focus on releasing your potential and maximising your impact.

### **About the Trust**

This is an exciting opportunity to join an award winning Multi Academy Trust and be part of a welcoming and supportive team that serves amazing children and young people. Nexus Multi Academy Trust was founded in 2016, with 17 unique SEND and mainstream academies.

We are a growing, forward thinking and innovative Trust with a shared ethos, vision and values for a personalised child centred approach. We are committed and invested in “Learning together, to be the best we can be” and it is as relatable to every employee and partner of our Trust as it is to our children, young adults and their families.

Please see a copy of our most recent prospectus, for further information.

## **Our Opportunity**

We are looking to recruit an enthusiastic, dynamic individual to join our school from September 2025 to join our successful staff team. We are looking for practitioners who have an innovative approach to their work and aren't afraid to think of new and interesting approaches to the support they offer. Empathetic and passionate, you'll understand that our pupils' journeys aren't necessarily linear. If you haven't worked in SEN before, but are enthusiastic and motivated to make the move, we'll give you all the additional training and support you require.

The role will be supporting school-wide, Year 1 to Year 11. You will be supporting learners within their classroom environment as well as their personal and social development during socialising periods through break and lunch times. The role may also involve supporting pupils who are accessing an alternate provision away from the school environment.
