About our school

At our core, we are a kind, resilient, and patient team who believe that no two days are the same when working with young people. Guided by the principle that behaviour is communication, we provide a trauma-informed, student-centred approach that recognises and responds to the complex needs of every learner.

We are committed to inclusion and practice unconditional positive regard, ensuring each student feels valued, respected, and safe. Through a culture of nurture and adaptability, we create learning environments where trust can grow and progress can be made.

As team players, we are reliable and collaborative, working together to deliver consistent support that leads to improved student outcomes. We celebrate the small wins, and understand that every journey is unique, and we adapt our approach to meet students where they are, empowering them to achieve their full potential.

About the Trust

This is an exciting opportunity to join an award winning Multi Academy Trust and be part of a welcoming and supportive team that serves amazing children and young

We are a growing, forward thinking and innovative Trust with a shared ethos, vision and values for a personalised child centred approach. We are committed and invested in "Learning together, to be the best we can be" and it is as relatable to every employee and partner of our Trust as it is to our children, young adults and their families.
