About our School

Lotus Academy is a new school working within Nexus Multi-Academy Trust. This is a really exciting time for the school as we continue to improve, all areas of school are making progress and our new curriculum offer will enable our students to access the curriculum in a variety of ways.

Our pupils have a range of complex Social Emotional and Mental Health needs. They enjoy a safe, creative and stimulating school environment with a strong emphasis on nurture and forming strong relationships with staff and peers. Their Individual Support Plans are reflective of their Education Health and Care Plan (EHCP) outcomes, their risk assessments and the interventions that are required for a child to make progress in our school.

Lotus Academy staff share the same commitment to ensuring that all our children achieve their full potential and can support our school values of:

Enjoyment

Empathy

Togetherness

Our school is committed to providing care and support to some of the most disadvantaged and vulnerable children in the city. You would need to be flexible and committed to working as part of a team.

About the Trust

This is an exciting opportunity to join an award winning Multi Academy Trust and be part of a welcoming and supportive team that serves amazing children and young people. Nexus Multi Academy Trust was founded in 2016, with 19 unique SEND and mainstream academies.

We are a growing, forward thinking and innovative Trust with a shared ethos, vision and values for a personalised child centred approach. We are committed and invested in "Learning together, to be the best we can be" and it is as relatable to every employee and partner of our Trust as it is to our children, young adults and their families.

Please see a copy of our most recent [prospectus](#) and [workforce engagement statement](#) for further information.

Our Opportunity

We are seeking to appoint a highly motivated, enthusiastic, hardworking and flexible Intervention Team Teaching Assistant to join a team of dedicated staff who are committed to providing an excellent learning environment and become part of a successful team in a busy working environment.

Whether you are an experienced Teaching Assistant who has worked within a mainstream or specialist education setting, or someone who has exceptional vocational skills and a real drive to make a difference in children's lives, you must be able to provide our children with aspirations for their futures along with promoting a positive culture in everything you do.

Knowledge of SEN will be advantageous and you must be able to respond to the emotional, social and mental health needs of our children and young people. You will be required to ensure the safety of our children and young people and facilitate their access to learning by responding to individual needs, which may include personal care and hygiene needs such as toileting and nappy changing.

Via your excellent interpersonal skills, you will have the opportunity to make judgements on the attainment and progress of our students and be able to help them celebrate success.

You will be working as part of a team supporting whole class lessons, group work and working one to one with pupils. You will be part of a committed staff team who are motivated every day by improving the life chances of our children and young people.
