About our School

Kingfisher Academy provides hospital education within Sheffield and is part of Nexus Multi-Academy Trust. Every day we make a difference to the lives of the children and young people in our community, all of whom have some form of medical need. These vary from chronic and complex mental health disorders through to a wide variety of acute medical conditions. Kingfisher Academy is a unique, complex, caring and wonderful place where we are proud of our reputation with children and families, other professionals, agencies and Sheffield Local Authority.

About the Trust

This is an exciting opportunity to join an award winning Multi Academy Trust and be part of a welcoming and supportive team that serves amazing children and young people. Nexus Multi Academy Trust was founded in 2016, with 19 unique SEND and mainstream academies.

We are a growing, forward thinking and innovative Trust with a shared ethos, vision and values for a personalised child centred approach. We are committed and invested in "Learning together, to be the best we can be" and it is as relatable to every employee and partner of our Trust as it is to our children, young adults and their families.
