School and Location: The Willows

Contract type: Full time permanent

Closing date: 9am Wednesday 14th October 2026

Shortlisting date: Thursday 15th October 2026

Interview date: Week beginning 19th October 2026

Start date: Tuesday 1st January 2027 (or sooner if possible)

About our School/the role

The Willows is a 'Can do' School, with an amazing environment in which to learn and develop skills for life. We feel this is a school with a very special atmosphere and visitors have often said the same. The school has clean, bright rooms and several outdoor areas. There's a cheerful, warm feeling which comes from a dedicated, caring team, working with very special young people.

We take pupils age 7 to 19 with a range of moderate learning difficulties; some with additional needs such as speech and language difficulties, children on the autistic spectrum and children with emotional and behavioural difficulties.

The Willows is seeking to appoint an enthusiastic, energetic and caring individual to join a dedicated team of staff.

About the Trust

This is an exciting opportunity to join an award winning Multi Academy Trust and be part of a welcoming and supportive team that serves amazing children and young people. Nexus Multi Academy Trust was founded in 2016, with 17 unique SEND and mainstream academies.

We are a growing, forward thinking and innovative Trust with a shared ethos, vision and values for a personalised child centred approach. We are committed and invested in "Learning together, to be the best we can be" and it is as relatable to every employee and partner of our Trust as it is to our children, young adults and their families.

Please see a copy of our most recent prospectus, for further information.

Our Opportunity

We are looking for an experienced, enthusiastic teacher to lead and further develop a high-quality mathematics provision for pupils with Moderate Learning Difficulties (MLD) and associated needs across Key Stages 2, 3, 4 and 5. The Maths Lead will ensure that the Maths Mastery principles are

adapted appropriately to meet the diverse learning needs of pupils while maintaining high expectations, promoting independence and preparing pupils for adulthood.

The post holder will provide strategic leadership, curriculum development, coaching and quality assurance to secure outstanding outcomes and meaningful mathematical understanding for all learners.

The successful candidate will play a key role in the development and implementation of the school's whole-school assessment system within the MIS. As the lead subject for the pilot programme, the Maths department will be instrumental in shaping the system, and the postholder will support and collaborate with other subject leaders to ensure its effective rollout across the curriculum.

This is an excellent opportunity for someone who would welcome a new challenge within a forward-thinking school and wants to make a difference in young people's lives.

What you can expect from us
